You must have attained a grade of C (73%) or higher in JPN 2230-2231, instructor's permission, or the equivalent as proven by a placement test score to enroll in JPN 3440. This is a language course for a specific purpose so native speakers of Japanese cannot enroll in JPN 3440. REQUIREMENTS AND POLICIES

1. Preparation for the class

The schedule is designed for you to prepare the materials indicated for a given date **BEFORE** the class meets. You are expected to come to class well-prepared so that you will be ready to participate in communication activities in a meaningful context with your instructor and classmates. Read the assigned pages carefully, listen to the audio files on line, and bring any

questions you had while studying for the class since they may benefit your classmates as well! You are expected to study for the course **at least two hours for each lesson**. These two hours include time for you to 1) read the textbook carefully, 2) do the textbook activities, 3) complete the homework, 4) memorize vocabulary and kanji, 5) memorize the required dialogues on the syllabus, and 6) review materials. Completing homework alone is not sufficient preparation to perform well in class. Business Japanese has a different course format without the Yookoso text, which you completed in Beginning and Intermediate Japanese. If you do not know how to prepare for the class, please ask the instructor.

2. Attendance and participation

Attendance and active participation in class are mandatory and will be recorded at each class session. Foreign language learning is a cumulative process, and it is very important that you come to all the classes and practice Japanese everyday. Grading criteria for participation will be on a 10 point scale. To receive full participation credit, you must show evidence of preparation for class. However, this is not to say that you cannot make mistakes; trial and error is the only way to learn how to use the language, and you are encouraged to try out the new structures, make errors, and learn from them. Active participation that shows your effort will count towards the participation grade. On the contrary, no participation will seriously hurt your participation grade. You will receive 0 points when you are absent from the class.

Grading criteria for class participation

- 10 = excellent performance; very high level of fluency and accuracy (extra credit)
- 9 = very good/strong performance with some minor weak areas; well memorized materials; no need to refer to textbook (expected level of preparation)**
- 8 = good performance with some weakness; memorized most materials; occasional need to refer to textbook.
- 7 = fair performance, but weak in major areas; memorized some materials; occasional need to refer to textbook
- 6 = poor performance, weak in most areas, refers constantly to textbook
- 5 = present, but evidently unprepared, or disengaged from class activities
- 0 = absent

It is crucial that you attend every class for successful learning of the language. In the event you must miss the class, please contact the instructor prior to the class meeting and have your absence pre-approved, except for documented emergencies. You may be excused from the class only if you provide documented evidence (e.g., a letter from the doctor/infirmity, accident/police report, receipt for car repair).

Please be punctual because you may miss important information and distract your classmates. If you are late to class, you will not be given extra time to complete the exams and quizzes. If you are more than three minutes late three times without your instructor's consent, they will be counted as one absence. If you are more than 30 minutes late, it will also be considered as one absence. If your unexcused absences exceed 3 or more times, you will lose 3% from the final grade. Your course grade will be lowered by 1% for each class you miss after the 3rd absence. In

the event your unexcused absences exceed 5 or more times, you will automatically fail the course. It is your responsibility to check with your instructor to be certain of the number of absences recorded for you.

If you are late or miss class for any reason, it is your responsibility to contact your instructor or ask your classmates to know what you have missed and what you need to do for the following day.

3. Japanese speaking policy in class

You have a very limited exposure to Japanese outside of class, and it is very important that you make every use of opportunities to speak Japanese in class. Therefore, you are required to speak only Japanese in class. **Since you have even less opportunities to use keigo, you are required to use keigo as much as you can when you talk with your instructor.** You will sign an honor pledge to speak only in Japanese in class. A limited amount of English will be used by the instructor to explain grammar in class, at the discretion of the instructor.

4. Homework and makeup exam policies

All homework is to be completed and turned into the instructor at the beginning of the class on the due date it appears on the syllabus. Do not hesitate to ask questions about the homework assigned during class. All homework must be stapled with your name and its assigned date at the top of the first page. The instructor will not accept homework that is not stapled. Put the homework on the instructor's desk before class begins. The homework turned in at the end of the class will be marked late and receive a zero. All of the assigned sections of homework must be completed to receive full credit – no blanks or incomplete sentences. The homework grade is 15% of your final grade. The grading criteria for homework will be on a 5 point scale as shown below.

If you do not turn in homework on the day it is assigned without an official excuse of absence, you will receive a zero for your homework grade that day.

Homework Grading Scale:

- 5 = Completed all assignment sections neatly
- 4 = Completed about 90% of assignment
- 3 = Completed about 75% of assignment
- 2 = Completed about 50% of assignment
- 1 = Completed about 25% of assignment

NO late assignments will be accepted without written evidence of illness or emergency. In case you must miss class on the day that an assignment is due, turn it in ahead of time to receive full credit. If you do not turn in assignments on time, you must submit the homework the following day.

Make-up quizzes or exams may be scheduled ONLY when it was pre-approved by the instructor or in the case of documented illness or emergency. It is your responsibility to contact your

instructor immediately after returning to class and schedule make-up quizzes/exams **within one class day**, or no make-up will be allowed.

- **Homework self-correction:** You are required to do homework self-correction every day. You must do self-correction in a different color ink so it will be easy for the instructor to see. Please write SC (self corrected) at the top of the first page. If ALL self-corrections are not made to homework, 3 points will be deducted from your homework grade. If you just copy answers without completing homework by yourself fist, you will receive a zero for the homework.
- **Quiz self-correction:** Upon return of your quiz in class, you are required to do self-correction and turn it in the following day. You must do self-correction in a different color ink so it will be easy for the instructor to see. Do not staple the self-corrected quiz or exam to the regular homework or self-correction homework. It is not the instructor's responsibility to remind you of this policy. **You must attempt to correct ALL errors on quizzes, or 2 pts will be deducted from the quiz score.** No late assignments will be accepted.
- **Kanji self-correction (kanji quizzes):** To reinforce kanji learning, you will be required to complete extra writing practice – writing each kanji word or compound 5 times – when you have points deducted for missed kanji/furigana (kanji reading in hiragana) on kanji quizzes. The missed kanji practice will be due on the **FOLLOWING CLASS DAY** after you receive the graded quizzes. When you turn in this kanji extra homework, **be sure to staple the sheet together with your graded kanji quiz. You must attempt to correct ALL errors on quizzes, or 2 pts will be deducted from the quiz score.**

5. Learning kanji

Knowledge of kanji is essential for you to become a competent reader of authentic reading materials in Japanese. The learning of kanji is a cumulative process, and it is your responsibility to retain your kanji knowledge over time. To help retention of kanji knowledge, you are expected to use all kanji that has been covered in class in every assignment, quiz, or exam. On exams, you must use kanji you have previously learned to receive full credit.

To help reinforce kanji learning, you will be required to complete extra kanji writing practice when you missed kanji/furigana (kanji reading in hiragana) on kanji quizzes and exams. Please refer to #3 listed on p. 5 under “Quiz and exam self-correction” in the “Homework and Makeup Exam policies.”

6. Conversation Clinic

Students can practice speaking Japanese with the instructor at individualized conversation clinics during the office hour. One session is 15 minutes long. There will be a weekly sign-up sheet, and you can sign up only once per week. This is a good opportunity to practice your conversation skills in Japanese and ask questions to your instructor. You can sign up alone or with a classmate since each conversation clinic can accommodate up to 2-3 students. Make sure you will not sign up with a student from a different course.

7. Cell phones and personal computers policy

You must turn off your cell phones prior to the beginning of class. Personal computers are not to be used during class unless specific permission is granted by the instructor.

8. Accommodations for students with disabilities

Students requesting classroom accommodation must first register with the Dean of Students Disability Resources office. The Dean's office will provide documentation to the student who must then provide this documentation to the Instructor in advance of the beginning of class. **It is the student's responsibility to discuss specific accommodation arrangements with the instructor.**
