PROGRAM
Through this program students will discover the rich cultural heritage of Paris through French literature and art. As they explore the city, students will gain an understanding of the layers of history that give Paris its complexity, sophistication, and beauty. At the same time as this program will foster cultural and intellectual growth, we will work on linguistic skills through courses taught exclusively in French as well as through homestays with French families. We will also enjoy experiences -- shopping and cooking together, going to the theater, and celebrating Bastille Day -- that will provide students with lasting memories and new friendships.

LOCATION
This program is taught in Paris, France. In the City of Lights, you will discover that there are historical, architectural and cultural riches around every corner.

EXCURSIONS
Possible excursions include a day trip to Monet’s house and gardens at Giverny and an overnight trip to the castles of the Loire Valley.

HOUSING
You will live with a Parisian host family who will provide you with two dinners and five breakfast meals a week.
