Prerequisite

Completed CHI 1131 with a grade of C and better, or S, or equivalent by placement test.

Goals and Objectives:

Students will gain listening, speaking, reading and writing skills in standard (Mandarin) Chinese, attaining approximately the Intermediate mid level on the ACTFL/ETS proficiency scale. Specifically, students will be able to achieve the following:

Listening: Able to understand sentence-length utterances especially where context supports understanding and speech is clear--such as in survival situations involving native speakers accustomed to dealing with foreigners. Comprehension areas include such basic needs as getting meals, lodging, and transportation, health care and recreational activities and making friends..

Speaking: Able to make short statements and ask simple questions, with emerging ability in advanced tasks such as narration, description, and comparison. Language is generated through application of internalized grammar rather than relying solely on memorized material. Vocabulary centers around survival topics: common objects, places, activities, basic likes and dislikes, food, clothing, shelter, etc.

Reading: Can identify a moderate number of character components and high-frequency characters in areas of immediate need. Where specific characters and combinations have been memorized, can read for instructional and directional purposes, standardized messages, such as prices in stores, time/date on schedules, simple correspondence, and simple instructions. In terms of literacy, can read textbook materials as covered.

Writing: Able to meet limited practical writing needs. Can write simple, short narratives, descriptions and notes on daily topics. Can supply information on simple forms and documents. In addition, students will gain cultural knowledge and learn to negotiate the various cultural scenarios presented in class.

Text and Materials:

Integrated Chinese Level 2 part 1, 3rd edition, by Yuehua Lin & Tao-chung Yao (textbook, workbook and character workbook). Students will be asked to choose between simplified and traditional character texts, but we will be working with both types of characters in class. **The**

general principle for simplified and traditional characters is: be able to read both types, and write one.

AUDIO FILES

Audio files accompanying the textbook and workbook are available online at

Student Responsibilities:

Only a portion of time in class will be spent on the textbook; we will not always cover it exhaustively in class, but you are expected to do so independently, especially through use of the digital files located on the language lab website (above). If you have not prepared the lesson in the book before coming to class by previewing in conjunction with the audio files, your performance will suffer and your grade will drop. **YOU** are responsible for putting in your time—there are no direct incentives, but the payoff of a better grade will make it worth your while. Please come to class everyday, prepared and ready to communicate in both speech and writing. **You are allowed Four (4) unexcused absences. Each additional unexcused absence after the 4th will result in 2% deduction from the final scores.** You may be excused from the class only if you provide an official document, such as a note from the doctor, accident report, school activities etc. All other absences will not be excused unless receiving special permission from the instructor. By enrolling in the class you agree to speak Mandarin, Chinese in class and not English, unless absolutely necessary.

Academic Honesty:

Cheating will not be tolerated. Any students found in violation of the student honor code will be reported to university officials. Please refer to the University of Florida Student Honor Code.

NOTE: IF your homework or any other assignments are identical to your classmates' you will receive a **ZERO (0)** as your grade.

Students with Disabilities:

“Students requesting classroom accommodation must first register with the Dean of Students Office. The Dean of Students Office will provide documentation to the student who must then provide this documentation to the Instructor when requesting accommodation.”

Canvas- Online Course Management System: <http://elearning.ufl.edu/>

Sakai is an online Course Management System (CMS) to support study in and outside of class. Students are required to check the course Sakai site for the daily homework assignments and course materials. Students will also be required to post certain homework assignments online.

If you are late or miss class for any reason, it is your responsibility to contact your instructor or ask your classmates to find out what you have missed and what you need to do.

You are allowed Four (4) unexcused absences. Each additional unexcused absence after the 4th will result in a 2% deduction from your final grade.
