Room: Online/Zoom

Equal rights statement: All activities in this class are open to all persons with non-discrimination with respect to race, creed, color, religion, age, disability, sex, sexual orientation, marital status, national origin, political opinions or affiliations.

Class objectives:

This class is taught in Haitian Creole because that is the best way to acquire and build proficiency in the language. This might be difficult for some students; however, second language acquisition research recognizes this as the best way to learn a new language.

Our objective is to help develop your proficiency in **speaking**, **reading**, **writing** and **listening** in Haitian Creole. Our goal is to accomplish this in a classroom setting where communicative, form-focused and meaningful activities stimulate learning.

You will need to devote attention to cultivating your Haitian Creole at home. This will involve reading the materials, in some cases more than once. You need to write new words down in complete sentences, to read to yourself out-loud, to listen to and watch Haitian media and to seek out Haitian Creole-speaking friends. You will have homework on a regular basis.

In addition to the instruction of Haitian Creole language, we examine aspects of Haitian culture, society and especially Haitian songs (*konpa, rasin, twoubadou, rap, raga, levanjil, vodou tradisyonèl*, etc.).

Special concerns:

- No cell phones; no newspapers; no beepers; no gadgets; no sleeping; no other unrelated items that could be considered a distraction for the class. Please be aware that distraction is equivalent to absence.

Grade distribution:

(1) 15 % = Homework / Online Group Assignment

You will present a topic of your choice to the class in Haitian Creole for up to 10 minutes. **You might be asked to read your essay or to translate parts of your essay in the Oral Exam.**

Class policies

Course expectations

Students are expected to study the material in:

- *Pawòl Lakay*
- *Ti Koze Kreyòl*
- *Chita pa bay*
- The songs we listen to.

A vast majority of the vocabulary used in *Pawòl Lakay*, *Chita pa bay* and *Ti Koze Kreyòl* is found in the glossaries at the end of the books.

No late work policy

Sorry, no late work accepted except if a medical or emergency excuse is stapled to the assignment when submitted. Failing to submit homework can significantly worsen your grade.

Attendance / comportment policy

- **Unexcused Absence Policy:** Student will lose **1%** from their final grade for each unexcused absence.
- **Late Policy:** A class roll will be taken before class begins. If a student is late, he or she will have to indicate his or her lateness to the instructor after class. This must take place on the day the student was late and not afterwards. Such lateness distracts other students and the instructor and will affect the student's final participation grade. Students will lose **0.5%** from their final grade each time they arrive late.
- **Cell phone policy:** Students must turn cell phones to silent before coming to class. Each time a student's cell phone rings or each time that a student texts during class, **1%** will be deducted from that student's final grade (i.e. the student will be marked as absent).
- **Lap top policy:** Students may use laptops to take notes or read electronic textbooks. Wifi must be disabled in class. Students who use the Internet will be marked as absent and **1%** will be deducted from the student's final grade (i.e. the student will be marked as absent).

If a student *is* absent and the absence is excusable, he or she is expected to contact the instructor with the reason for his or her absence. Medical treatment or a

personal or family crisis are acceptable grounds for an excused absence: *a note including a contact phone number and legible letterhead is required.*

If you do leave in the middle of class, you will be marked **absent** for the day, which impacts the participation part of the grade.

If you disregard these expectations, the instructor reserves the right to ask you to leave the class, to make an appointment with the Dean of Students, and to engage in a conflict resolution procedure. (see the Dean of Students' website about this: <http://www.dso.ufl.edu/sccr/resolution/>).

The instructor reserves the right to lower your final grade if you demonstrate disregard for these policies!

Attendance policy

If a student *is* absent, he or she is expected to contact the instructor **within 24 hours** with the reason for his or her absence. Medical treatment or a personal or family emergency are grounds for an excused absence, *a note including a contact phone number is required.*

Working together communicatively

Since this class takes a communicative approach to the instruction of Haitian Creole, finding the right balance between listening, reading, taking notes and talking with your partners is an important part of working together. In order to maximize on the variety of in-class partners, students should expect to work with different partners. **Sometimes you will be asked to pair with a new person.** The communicative approach assumes that each student will provide instructional input and feedback to her or his fellow classmates.

***Guidelines for the 6-part written assignments. Your “autobiography.”**

Each of these installments will be a part in your Haitian Creole autobiography. Each assignment is to contain no less than 150 words. They must be typed. **You are expected to use a dictionary, especially one of those recommended in this syllabus. You may also ask a native speaker to look over your work and offer suggestions, HOWEVER, you must be able to translate every word in your essay into English *without* a dictionary.**

An autobiography is the story about your life so far. It is not a story about what you want to be in the future. An autobiography is a text where you reflect on events and your realizations in life. It does not have to be entirely true. BUT IT DOES HAVE TO BE YOUR WORK. If you wish, you may write the biography of someone you know well. We flunk plagiarists.

If you wish to write about future goals, save it for the 5th installment.

IMPORTANT: The FINAL VERSION is the corrected version of installments 1-5. You must turn the final version in stapled with the corrected versions. You must also highlight or boldface all of your corrections. Failure to do so will result in the lowering of your final draft grade.

- Essays must be typed and double-spaced with 1-inch margins.

- A paper version must be submitted. YOU CANNOT JUST EMAIL IT TO ME!
- Times New Roman .12 font must be used with appropriate accents (handwritten accents are not accepted).
- In order to type accents in Microsoft Word follow these guidelines with you computer keyboard:

- 1) **For è:** Push **Ctrl + `** at the same time (` is the key with ~ on top), let go and next push **e** and this produces **è**
- 2) **For ò:** Push **Ctrl + `** at the same time, let go and next push **o** and this produces **ò**
- 3) **For à:** Push **Ctrl + `** at the same time, let go and next push **a** and this produces **à**

Citations from outside sources (printed or electronic) are strongly recommended and should be accompanied by appropriate bibliographical references. Example:

Book:

Author. Year of publication. *Title of book*. City of publisher: Publisher.

Article in journal, magazine, etc.:

Author. Year of publication. Title of article. *Name of source*, Issue of publication, pages numbers.

Class web site

A web site is presently available to students. Under the section “Class Notes” you will find all class notes available in a PDF file. Links to Haitian Creole internet radio programs, a Haitian Creole comic, a translation of Martin Luther King, Jr., and more are available. Students are urged to make use of the supplemental material. Reviewing class notes can be excellent exam review. Point your browser to:

Standard Haitian Creole

The variety of Haitian Creole found in *Pawòl Lakay* is called Standard Haitian Creole. Standard Haitian Creole, which is spoken by a large majority of Haitians. Standard Haitian Creole has dominated publishing in Haitian Creole for 50 years. Many prestigious publications have appeared in Standard Haitian Creole, such as *Dezafi*, *Bib la*, *Agasya*, etc.

Alphabetization in *Pawòl Lakay* [PL]

The alphabetization found in **PL** follows an early model based on the *sounds* of Haitian Creole and not the traditional Roman alphabet. Thus, words are arranged in the following order:

- AZ is followed by AN (because AN is considered an independent letter)
- ÒY is followed by ON (because ON is considered an independent letter)
- ÒV is followed by OU (because OU is considered an independent letter)
- ÈT is followed by EN (because EN is considered an independent letter)

By following the ordering guidelines given above, you should be able to find virtually all the words in the textbook. Additionally, you should make use of the dictionaries on the syllabus. They do use conventional roman alphabetical order.

Academic Honesty Guidelines

Academic honesty and integrity are fundamental values of the University community. An academic honesty offense is defined as the act of lying, cheating, or stealing academic information so that one gains academic advantage. Any individual who becomes aware of a violation of the Honor Code is bound by honor to take corrective action.

Taking of information includes copying graded homework assignments from another student; working with another individual(s) on graded assignments or homework; looking or attempting to look at notes, a text, or another student's paper during an exam.

Plagiarism. The attempt to represent the work of another as the product of one's own thought, whether the other's work is oral or written (including electronic), published or unpublished. Plagiarism includes, but is not limited to, quoting oral or written materials without citation on written materials or in oral presentations; submitting work produced by an on-line translation service or the translation feature of an on-line dictionary as your own.

Misrepresentation. Any act or omission with intent to deceive a teacher for academic advantage. Misrepresentation includes lying to a teacher to increase your grade; lying or misrepresenting facts when confronted with an allegation of academic honesty.

Bribery, Conspiracy, Fabrication. For details see below.

The UF Honor Code states:

"We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honesty and integrity."

On all work submitted for credit the following pledge is either required or implied:

"On my honor I have neither given nor received unauthorized aid in doing this assignment."
