Course description

Students, who attend class regularly, participate actively and perform competently on presentations and vocab quizzes can expect to be able to produce and comprehend both spoken and written Russian in a variety of basic communicative situation.

Course requirements

Grades will be determined on the basis of the following components:

Regular class preparation, attendance and participation: 50%

Day-to-day preparation and performance is critical in any language course, especially in the early years of one's training. Given their highly interactive nature, language classes simply cannot be "made up" if missed. A lost contact hour will set you back in your quest to interact competently with Russian speakers and culture. It is for this reason that daily preparation, attendance, and participation figure so prominently into the grade scheme. Lackluster in-class performance, unexcused absences and late or ignored homework assignments will be noted and calculated into the final grade. Excused absences and late work may be deemed so in advance of the class (or afterwards in extreme circumstances); those who miss class are responsible for obtaining and completing daily homework assignments.

Class structure:

1.5 minutes of non-stop Russian (working with a partner)

2.Headline news:

Tuesday – politic/business/economy

Thursday – Sport/culture/movies/art/ strange/funny/crime news

3. Checking a home assignment
4. Euronews (watching video) once a week.
5. Presentation – once a week (starting August 31st)

Requirements for the presentations: Power point. Length - at least 1 page, good sentences' structure, new words (you will be asked to make a glossary for your presentation) .

Vocabulary Quizzes(4): 10 %

A vocabulary quiz will accompany each chapter.

Final oral exam – 10%

Final test – 5%

Extra credit: 1 -10% (writing a diary) or completing an additional assignment.

The following scale will be used in calculating your overall grade for the course:

A = 95 - 100%	B- = 75 - 79%	D+ = 60 - 62%
A- = 90 - 94%	C+ = 70 - 74%	D = 57 - 59%
B+ = 85 - 89%	C = 65 - 69%	D - = 55 - 56%
