

Course Objectives

This course is a continuation of JPN 1130 Beginning Japanese 1. We will cover basic structures of Japanese through communicative interaction that will enable you to attain a high-beginning level of language proficiency in Japanese. By the end of the semester, you will have learned approximately 100 additional kanji. You will also learn to state opinions, report quotations, give reasons, convey intentions and desires, as well as express comparison, probability, ability, and more. The course will cover Chapter 8 through Chapter 14 of the textbook series *GENKI I-II: An Integrated Course in Elementary Japanese*. You must attain a letter grade of C (73%) or higher in this course or instructor's permission to continue in JPN 2230 Intermediate Japanese 1.

Prerequisites:

In order to take this course, (1) semester of university-level study of Japanese (JPN 1130) or the equivalent, is required. You must have attained a letter grade of C (73%) or higher in JPN 1130, instructor's permission, or the equivalent as proven by placement test score to continue in JPN 1131.

If you are a new student to the Japanese language program at the University of Florida, you must take the placement exam (the registration form is available at <https://languages.ufl.edu/academics/llc-languages/japanese-studies/>). The placement exam will be given only on Tuesday, January 8th, 2019, from 2:00 – 5:00 p.m. in 302 Pugh Hall. You will be given an appointment for the oral interview as well as the written exam after you register. You must register for this exam with Prof. Sano (rsano@ufl.edu) by 4:00 p.m. Monday, January 7th. Please see your instructor on the first day of class if you have not already registered for the placement exam.

REQUIRMENTS AND POLICIES

1. Preparation for the class

The daily schedule, which follows below, is designed for you to prepare the materials indicated for a given date BEFORE the class meets. You are expected to come to class well prepared so that you will be ready to participate in communication activities in a meaningful context with your instructor and classmates. This is an intensive language course for which you will receive five credit hours. Therefore, you are expected to study for the course at least two hours every day. These two hours include time for you to:

- | | |
|---|---------------------------------------|
| 1) read the textbook carefully, | 5) memorize the required dialogue, |
| 2) complete Prep HW, | 6) memorize vocabulary and kanji, and |
| 3) do the textbook activities, | 7) review materials. |
| 4) complete other homework assignments, | |

Read the assigned pages carefully, listen to the audio files online, and bring any questions you had while studying for the class since they may benefit your classmates as well! Completing homework alone is not sufficient preparation to perform well in class. If you do not know how to prepare for the class, please ask the instructor or refer to the study guide in the course packet.

2. Attendance and participation

Attendance and active participation in class are mandatory and will be recorded at each class session. Foreign language learning is a cumulative process, and it is very important that you come to class and practice Japanese every day. Grading criteria for participation will be on a 10-point scale. To receive full participation credit, you must show evidence of preparation for class. However, this is not to say that you cannot make mistakes; trial and error is the only way to learn how to use the language, and you are encouraged to try out the new structures, make errors, and learn from them. Active participation that shows your effort will count towards the participation grade. On the contrary, no participation will seriously hurt your participation grade. You will

receive 0 points when you are absent from a class.

Grading criteria for attendance and participation (daily grade)

A+	10	= Excellent performance
A	9	= Strong performance; well-prepared with a few minor mistakes
B	8	= Fair performance; prepared with some mistakes or weakness
C	7	= Weak or unsatisfactory performance; evidently unprepared
	0	= Absent

*In order to get 9 or 10, your overall performance needs to be very good. This includes doing well on dialogue performance, vocabulary and characters for the day.

Students are permitted three unexcused absences during the semester. At the 4th absence, you will lose 3% from the final grade. Every absence thereafter results in minus 1% deducted from your final grade unless the absence is a documented excuse. In the event your unexcused absences exceed 10 times, you will automatically fail the course. Absences will be excused only in accordance with UF policy. Acceptable documented excuses include illness, religious holidays, and military obligation:

<https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx>.

Please be punctual because you may miss important information and distract your classmates. If you are late to class, you will not be given extra time to complete the exams and quizzes. If you are more than three minutes late three times without your instructor's consent, they will be counted as one absence. If you are more than 30 minutes late, it will also be considered as one absence.

If you are late or miss class for any reason, it is your responsibility to contact your instructor or ask your classmates to know what you have missed and what you need to do for the following day.

2.1. Policy Regarding Make-Up Quizzes or Exams

Make-up quizzes or exams may be scheduled ONLY when pre-approved by the instructor, or in the case of documented illness or emergency. It is your responsibility to contact your instructor immediately after returning to class and schedule make-up quizzes/exams within 2 class days, or no make-up will be allowed.

3. Homework

Students will be assigned to prepare for class each day and expected to complete all homework assignments. Put all your homework on the instructor's desk before class begins on the due date it is scheduled on the syllabus. Regular daily homework must be stapled with your full name and assigned date at the top of the first page.

No late assignments will be accepted without written evidence of illness or emergency, except in the case that you notify your instructor in advance that you must be absent from class the day an assignment is due. It is required that you turn the homework in ahead of time to receive full credit.

Grading criteria for homework

1pt. =	All assigned sections of the homework must be completed using the new patterns without any blanks or incomplete sentences, and carefully self-corrected using the Answer Key.
0 pt. =	You will not get a point if your homework is not complete or for any of the following reasons: a. No homework or late homework b. Missing or incomplete sections

c. No corrections or missing self-correction (even if partial)

Note that 1pt. is the maximum point you can receive for each category (a workbook page, writing/composition practice, etc.). In addition to on-time delivery of assignments, quality will also be evaluated. There is no partial point.

If you have a specific question or exercise that you want your instructor to check, please make a note of it. Otherwise, the instructor will spot-check students' self-corrected homework.

3.1. Prep HW (Preparation Homework)

Please submit your Prep HW on e-Learning before class, for example, by 9:35 am if you are in the 3rd period class. You don't have to turn in a printed copy. Read the textbook carefully and complete Prep HW first before doing other assignments. Make sure that you focus on materials of the day which is indicated in the name of its Canvas Quiz. Prep HW will give you a good starting foundation of the specific materials you are going to learn and practice at home and then in the classroom.

For Question 1 of Prep HW, please don't write the same thing over and over. For example, you cannot write, "I learned how to ABC. The most important is to keep practicing this structure and incorporate it in daily conversations in Japanese." every time. Each completed Prep HW is considered as 1 point as the homework policy describes above. For example, you might get 2/3 points for a Canvas Quiz, but as long as you complete Prep HW as instructed, you don't have to worry about missing Canvas Quiz points.

3.2. Homework Self-Correction

Homework is always to be self-corrected using the Answer Key. You must use a different color ink (any color but red) to do self-correction so it will be easy for the instructor to see. You can find the Answer Key in "Files" on e-Learning.

Please put a check mark next to every single item or make a correction. Each day the homework Answer Key includes at least one wrong answer that should be quite obvious. Please identify and mark those wrong answers when you do self-correction. Otherwise you will not receive homework credit.

3.3. Quiz Self-Correction (Bonus Point)

Upon return of a quiz in class, you may do self-correction and turn it in the following day as a part of homework. If you can correct ALL errors on quizzes, 1 point will be added to the quiz score. Please write SC (self-corrected) at the top of the first page. Do not staple the self-corrected quiz to the regular homework.

4. Japanese speaking policy in class

You have a very limited exposure to Japanese outside of the class, and it is very important that you make every use of the precious opportunities to speak Japanese in class. Therefore, **you are required to speak only Japanese in class.** You will sign an honor pledge at the beginning of the term regarding speaking only Japanese in class. You have been explicitly taught how to ask permission to speak English (英語で質問があります Or 英語で話してもよろしいでしょうか), if it becomes absolutely necessary. Please understand that if the instructor denies permission, it is for a specific reason that will be explained to you after class. A limited

amount of English will be used by the instructor to explain grammar in class, at the discretion of the instructor.

OTHER POLICIES AND LINKS

1. Class Demeanor

Students are expected to arrive to class on time and behave in a manner that is respectful to the instructor and to fellow students. Please avoid the use of cell phones and restrict eating to outside of the classroom. Opinions held by other students should be respected in discussion, and conversations that do not contribute to the discussion should be held at minimum, if at all.

2. University Honesty Policy

UF students are bound by The Honor Pledge which states, “We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code. On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: “On my honor, I have neither given nor received unauthorized aid in doing this assignment.” The Honor Code (<https://sccr.dso.ufl.edu/students/student-conduct-code/>) specifies a number of behaviors that are in violation of this code and the possible sanctions. Furthermore, you are obligated to report any condition that facilitates academic misconduct to appropriate personnel. If you have any questions or concerns, please consult with the instructor or TAs in this class.

3. Accommodations

Students requesting classroom accommodation must first register with the Dean of Students Office. The Dean of Students Office will provide documentation to the student who must then provide this documentation to the Instructor when requesting accommodation.
