

JPN 2231 Intermediate Japanese 2 Spring 2021 Course Syllabus

Course Objectives

This course is a continuation of JPN 2230 Intermediate Japanese 1 and covers “*Genki II*” Lessons 22 through 23 and “*Tobira*” Lesson 1 through 4. It is designed to further enhance students’ four language skills in listening, speaking, reading and writing. Moreover, this course will prepare students to demonstrate their proficiencies across the three communication modes: interpretive, interpersonal, and presentational with an emphasis on communicative language use that also reveals features of Japanese cultures. By the end of the course, students are expected to reach an intermediate-mid, or higher, level of proficiency as defined by the ACTFL (American Council on the Teaching of Foreign Languages) Proficiency Guidelines. You must attain a letter grade of C or higher, which is a composite score of 73 or higher, or instructor’s permission to continue in JPN 3410.

REQUIREMENTS AND POLICIES

Required Hardware and Software

To access this institute in Canvas, you will need access to the Internet and a [supported browser](#). You will need to have a webcam and a headset (headphones with a microphone) for full participation. If you have a newer laptop or tablet, you may already have an integrated webcam; however, if you have trouble with echo and feedback, you will need to use a headset or earbuds.

1. Preparation for the class

The daily schedule, which follows below, is designed for you to prepare the materials indicated for a given date **BEFORE** the class meetings. You are expected to come to class well prepared so that you will be ready to participate in communication activities in a meaningful context with your instructor and classmates. This is an intensive language course for which you will receive five credit hours. Therefore, you are expected to study for the course **at least two hours every day** outside of the class. These two hours include time for you to:

How to Prepare for Class Everyday	
1) read the textbook carefully, 2) complete Prep HW, 3) do the textbook activities, 4) complete other homework assignments,	5) memorize the required dialogue, 6) memorize vocabulary and kanji, and 7) review materials.

Read the assigned pages carefully, listen to the audio files online, and bring any questions you had while studying for the class since they may benefit your classmates as well! Completing homework alone is not sufficient preparation to perform well in class. If you do not know how to prepare for the class, please ask the instructor or refer to the study guide in the course packet.

2. Attendance and participation

Attendance and active participation in class are mandatory and will be recorded at each class session. Foreign language learning is a cumulative process, and it is very important that you come to class and practice Japanese every day. Grading criteria for participation will be on a 10-point scale. To receive full participation credit, you must show evidence of preparation for class. However, this is not to say that you cannot make mistakes; trial and error is the only way to learn how to use the language, and you are encouraged to try out the new structures, make errors, and learn from them. Active participation that shows your effort will count towards the participation grade. On the contrary, no participation will seriously hurt your participation grade. You will receive 0 points when you are absent from a class.

Grading Criteria for Attendance and Participation (Daily Grade)
10 (A+) = Excellent performance 9 (A) = Strong performance; well-prepared 8 (B) = Fair performance; prepared with a few minor weakness 7 (C) = Weak performance with some notable weakness 6 (D) = Unsatisfactory performance; evidently unprepared 0 = Absent

*In order to get 9 or 10, your overall performance needs to be very good. This includes doing well on dialogue performance, vocabulary and characters for the day.

Students are permitted three unexcused absences during the semester. At the 4th absence, you will lose 3% from the final grade. Every absence thereafter results in minus 1% deducted from your final grade unless the absence is a documented excuse. In the event your unexcused absences exceed 10 times, you will automatically fail the course. Absences will be excused only in accordance with UF policy. Acceptable documented excuses include illness, religious holidays, and military obligation:
<https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx>.

For an excused absence: You need to contact the office of the Dean of Students at dsocares@dso.ufl.edu by email or call 352-294-2273 to request assistance by phone. The office of the Dean of Students will alert your instructor and certify the related documentation. Students who are registered with Dean of Students office and Disability Resource Center are responsible for providing related documentation.

Please be punctual because you may miss important information and distract your classmates. If you are late to class, you will not be given extra time to complete the exams and quizzes. If you are more than three minutes late three times without your instructor's consent, they will be counted as one absence. If you are more than 30 minutes late, it will also be considered as one absence.

If you are late or miss class for any reason, it is your responsibility to contact your instructor or ask your classmates to know what you have missed and what you need to do for the following day.

2.1. Zoom Presence Policy

Participation in our class is fundamental since improving oral conversation skills is a key objective of the course. Thus, students are required to have their cameras on from start to finish during our classes on Zoom. A default setting for our sessions in Zoom is that participants will be muted when they enter, so you will unmute yourself when you comment orally during our whole-group conversations and when you are in small groups. Your instructor may also ask students to reply in the chat box for specific activities. Oral comments on camera and written comments in the chat box are considered activities for participation. If you have technical issues, please immediately consult UF IT Help to resolve them and then contact your instructor. Zoom sessions will not be recorded by the instructor and may not be recorded by students. As in all courses, unauthorized recording and unauthorized sharing of recorded material is prohibited.

2.2. Policy Regarding Make-Up Quizzes or Exams

Make-up quizzes or exams may be scheduled ONLY when pre-approved by the instructor, or in the case of documented illness or emergency. It is your responsibility to contact your instructor immediately after returning to class and schedule make-up quizzes/exams within 2 class days, or no make-up will be allowed.

3. Homework

We can categorize homework into three groups by their submission deadlines as below.

Submission Deadlines	Homework Assignments
By 11:59pm on the day before class	<ul style="list-style-type: none">• Prep HW• Review HW• Review Post-Class HW (Genki only)
Before class	<ul style="list-style-type: none">• Worksheets• Workbook HW• Learning Support Log, Flipgrid, etc.
By 11:59pm on the same day after class	<ul style="list-style-type: none">• Post Class-HW (Genki only)

Please see specific deadlines indicated in the schedule and Canvas. No late assignments will be accepted without written evidence of illness or emergency, except in the case that you notify your instructor in advance that you must be absent from class the day an assignment is due. It is required that you turn the homework in ahead of time to receive full credit.

In terms of grades, we have three homework categories weighed individually as below.

Homework Grade (18% of Total Grade)
<ul style="list-style-type: none">• Prep HW and Review HW: 5%• Daily HW (Worksheets, Workbook, etc.) and Other HW (Flipgrid, etc.): 10%• [Genki Only] Post-Class HW and Review Post-Class HW: 3%

3.1. Prep HW (Preparation Homework)

Read the textbook carefully and complete Prep HW first before doing other homework assignments. Make sure that you focus on materials of the day which is indicated in the name of its Canvas Quiz. Prep HW will give you a good starting foundation of the specific materials you are going to learn and practice at home and then in the classroom.

For Question 1 of Prep HW, please don't write the same thing over and over. For example, you cannot write, "I learned how to ABC. The most important is to keep practicing this structure and incorporate it in daily conversations in Japanese." every time.

3.2. Worksheets/Workbook/Other Daily Homework

Genki:

This semester, we do not have the answer key for Genki materials.

Tobira:

Tobira's workbook homework (文法力 and 漢字力) is always to be self-corrected using its accompanying answer key. The instructor does not provide the answer key. You must use a different color ink (any color but red) to do self-correction so it will be easy for the instructor to see. Please put a check mark next to every single item or make a correction. Otherwise you will not receive homework credit.

In Order to Receive Feedback from the Instructor:

If you want to receive feedback from your instructor on your answer for a specific homework item, please underline it and put a question mark "?" in a different color pen.

Otherwise, the instructor will spot-check students' self-corrected homework, and we will go over common mistakes on homework in class.

Grading Criteria for Daily Homework	
1pt. =	All assigned sections of the homework must be completed using the new patterns without any blanks or incomplete sentences. Tobira workbook pages need to be carefully self-corrected using the accompanying answer key.
0 pt. =	You will not get a point if your homework is not complete or for any of the following reasons: a. No homework or late homework b. Missing or incomplete sections c. No corrections or missing self-correction (even if partial)

Note that 1pt. is the maximum point you can receive for each homework item (a workbook page, writing/composition practice, etc.). In addition to on-time delivery of assignments, quality will also be evaluated. There is no partial point.

3.3. Submission Attachment File Types

All Canvas Assignment uploads (Kanji worksheet for example) must be in either PDF or JPEG format. Your instructor checks your assignments and provides individualized feedback daily. To do your best, it is essential to check your grades on Canvas every day and take advantage of the learnings in the feedback given.

3.4. Quiz Self-Correction (Bonus Point)

Upon receiving a graded quiz, you may do self-correction and turn it in within the following 24 hours. 2 points will be added to the quiz score if you can: (a) correct ALL the errors on quizzes; and (b) practice missed words, kanji compounds, etc. 3 times each. Please write SC (self-corrected) at the top and upload the file to the specific Canvas quiz assignment. For example, if you have done self-correction for L1 Hiragana Quiz 3, upload its file there.

4. Japanese Speaking Policy in Class

You have a very limited exposure to Japanese outside of the class, and it is very important that you make every use of the precious opportunities to speak Japanese in class. Therefore, **you are required to speak only Japanese in class**. You will sign an honor pledge at the beginning of the term regarding speaking only Japanese in class. You have been explicitly taught how to ask permission to speak English (英語で質問があります Or 英語で話してもよろしいでしょうか), if it becomes absolutely necessary. Please understand that if the instructor denies permission, it is for a specific reason that will be explained to you after class. A limited amount of English will be used by the instructor to explain grammar in class, at the discretion of the instructor.

OTHER POLICIES AND LINKS

1. Class Demeanor

Students are expected to arrive to class on time and behave in a manner that is respectful to the instructor and to fellow students. Please avoid the use of cell phones and restrict eating to outside of the classroom. Opinions held by other students should be respected in discussion, and conversations that do not contribute to the discussion should be held at minimum, if at all.

2. Online Course Etiquettes

It is important to recognize that the online classroom is in fact a classroom, and certain behaviors are expected when you communicate with both your peers and your instructors. Please read the guidelines for online behavior and interaction known as netiquette.

The Honor Code (<https://sccr.dso.ufl.edu/students/student-conduct-code/>) specifies a number of behaviors that are in violation of this code and the possible sanctions. Furthermore, you are obligated to report any condition that facilitates academic misconduct to appropriate personnel. If you have any questions or concerns, please consult with the instructor or TAs in this class.
